MANAGEMENT DISCUSSION AND ANALYSIS

DEAR VALUED STAKEHOLDERS,

On behalf of the Management, I am pleased to present the Management Discussion and Analysis of Wellcall Holdings Berhad ("Wellcall") and its subsidiary company ("Group") for the financial year ended 30 September 2017 ("FYE 2017").

OVERVIEW

In FYE 2017, our performance was commendable and we managed to sail through our challenging journey amidst the volatility in the global market sentiment. Nevertheless, the fundamentals of demand for our industrial rubber hose remain strong resulting from the gradual recovery of both the emerging and developed countries economies. We are confident that, we are able to perform and deliver our results through our solid base and to position ourselves to meet the surge in demand arising from the recovery of the global economy.

BUSINESS AND OPERATIONS REVIEW

The principal activity of Wellcall is investment holding, while the principal activity of a wholly-owned subsidiary is manufacturing industrial rubber hose for customers who are mainly in the business of distributing rubber hose to original equipment manufacturers. Therefore, the Group's business segment mainly comprises the manufacture and sale of rubber hose and related products, which is confined to a single business and by geographical segment.

Our export market accounted for approximately 90% of the Group's revenue covering over 70 countries while the remaining of approximately 10% was derived from the domestic market. Hence, the market sentiment in the global economy plays an important role in driving the demand for rubber hose especially for replacement demand as well as product variations and penetration to new markets. Our geographical market segment is as disclosed in Note 25 of the FYE 2017 financial statements.

We have been continuously leveraging on our extensive customer network, improved productivity, quality services and our product range in FYE 2017. We will continually strive to enhance our competitive strengths in these areas to stay ahead of market trends. With the completion of our third plant, the additional capacity is timely in serving and sustaining our longer-term growth specially to cater for the global demand surge.

Our track record of more than 20 years in the rubber hose industry and over 35 years of industry knowledge have served as a concrete platform for our presence in the rubber hose industry globally. Our product quality and reputable customer service have also aided us to expand our customer base to more than 180 customers. Besides product quality and reputable customer service, the Group has a strong research and development capability teamed by experienced personnel to deliver improved and innovative products and new processes.

The Group has also expanded its products range to various application markets ranging from air and water, oil and gas, welding, automotive, ship building, abrasion, food and beverages and chemical applications. Additionally, the Group possess the ability to customise its manufacturing to suit its customers' product requirements in terms of rubber hose sizes, pressures and temperature resistance. Our products are accredited by independent third party for product quality assurance and recognition such as SGS, Lloyd's Register, Flinders Cook, SIRIM QAS International and Malaysia Rubber Board.

Nevertheless, the Group continues to strive to perform well and to maintain its dividend pay-out ratio of at least 50% of our net profit for the year. Increasing our base of customers and revenue coupled with operational efficiencies are the key drivers of the Group to achieve its profitability. The Group's revenue and purchases are primarily traded in foreign currency and it is the Group's practice to keep its foreign currency exposure to an acceptable level.

To deepen the Group's talent pool, we continue to recruit or engage professionals and experienced personnel from various fields to cater for future expansion. The Group continually reviews its human resource policies and practices to ensure staff welfare are well taken care of.

We trust that with the Group's strength, capabilities and sound underlying fundamentals, the Group would be able to step forward positively in an uncertain and challenging global economy.

FINANCIAL PERFORMANCE REVIEW

Revenue Surpassed the RM158 Million Mark

The Group recorded revenue of RM159 million, representing an increase of RM24 million or approximately 18% as compared to RM135 million in last financial year ended 30 September 2016 ("FYE 2016"). The increase in revenue mainly attributable to higher sales volume and fairly benefited from the strengthening of the foreign currency translation arising from export sales.

Our export sales accounted for approximately 90% of total revenue representing RM143 million while the remaining of approximately 10% was from local sales capturing RM16 million. Comparatively with FYE 2016, export sales had increased by RM21 mil (17%) and local sales had also increased by RM3 mil (23%). The overall increase in revenue mainly resulting from the continuation of recovery in global demand for industrial rubber hose.

RM'mil	FYE 2017	FYE 2016	Change
Revenue:			
(a) Export market	143	122	21
(b) Local market	16	13	3
Total	159	135	24

The Group recorded a profit after taxation ("PAT") of RM36 million for FYE 2017 compared to PAT of RM31 million recorded in FYE 2016, representing an increase of RM5 million, approximately of 16%. Higher PAT was mainly arising from increased in revenue for the year despite higher cost of operating, increased in expenses for the year under review.

The table below highlights the Group's key financial performance for FYE 2017:

RM'mil	FYE 2017	FYE 2016	Change
Revenue	159	135	24
Expenses	114	97	17
Other Operating Income	3	2	1
Gross Profit	59	52	7
Profit Before Taxation	48	40	8
Profit After Taxation	36	31	5
Gross Profit Margin	37%	39%	-2%
Pre-Tax Margin	30%	30%	0%
Net Profit Margin	23%	23%	0%

Notwithstanding with the pressure from the raw materials prices that continue to fluctuate due to global supply and demand and movements in foreign exchange, the Group managed to register and maintain its pre-tax margin and profit margin of 30% and 23% respectively. The gross profit margin faced a slight compression of 2% recorded from 39% to 37% mainly due to the increase in raw material price off set by a slight increase in average selling price.

FINANCIAL PERFORMANCE REVIEW (CONT'D)

Strong Financial Position with Healthy Cash Flows

RM'mil	FYE 2017	FYE 2016 (Restated)	Change
Total Assets	129	134	-5
Total Liabilities	25	36	-11
Total Equity	104	98	6
Total Borrowings	8	18	-10
Cash and Bank Balances	39	37	2
Net Asset Per Share (sen) *	20.83	19.66	1.17
Basic Earnings Per Share (sen) *	7.32	6.28	1.04
Dividend Per Share (sen) *	6.17	6.13	0.04

* Adjusted to reflect the shares split of every two (2) ordinary shares into three (3) ordinary shares held in Wellcall Holdings Bhd. ("Company"). The issued and paid up capital of the Company is 497,947,555 ordinary shares and prior to the shares split was 331,965,037 ordinary shares.

Total liabilities have decreased from RM36 million to RM25 million was mainly due to repayment of a term loan during the year under review. Total borrowings (term loans) have reduced from RM18 million to RM8 million was resulted from settlement of a local currency ("RM") term loan.

The Group able to sustain its healthy cash flows position at RM39 million, RM2 million above FYE 2016 at RM37 million despite settlement of a term loan.

The Group's financial position remains positively strong with net assets per share of 20.8 sen per share for FYE 2017 (FYE 2016: 19.7 sen per share). Basic earnings per share in FYE 2017 was 7.3 sen per share as compared to 6.3 sen per share in FYE 2016 mainly resulted from increase in earnings for the year.

Beholding at the sound financial platform, the Company has been declaring consistent dividend pay out to reward its shareholders. Total paid out of 6.17 sen per share revealed a higher dividend as compared to FYE 2016 of 6.13 sen per share.

The Management believes that continuous reinvestment is essential for the Group to be competitive in this volatile market to ensure sustainable growth in delivering long term value to its stakeholders. The Group is also keeping abreast with technological changes whereby continuous capital investment are vital to enhance the efficiency and productivity. In this respect, the Group had invested substantial capital in its property, plant and equipment in previous financial years. For the FYE 2017, most of our capital investment of RM1 million would relate mainly to maintenance and upgrading of older production lines to further improve our productivity.

INDUSTRY TREND, DEVELOPMENT AND PROSPECT

Demand for industrial rubber hoses will continue to see a gradual recovery from both emerging and developed economies. Moving forward, the Group will ensure it stays ahead of market trends, responding swiftly to changes through automation and research. In the near term, the Group expects the raw material prices to trend at higher levels due to supply and demand mechanism of raw materials and foreign exchange volatility.

Meanwhile, the additional capacity from plant 3 supports the Group in further strengthening its position in the market with a wider range of industrial hose. However, the outlook of the global economy remains challenging and uncertain. Nevertheless, the Group strategies are to focus on leveraging on its extensive customer network, improved productivity, quality services and product range to enhance its competitive edge.

Barring any unforeseen circumstances, the Board believes that the Group's prospects in the forthcoming financial year ending 30 September 2018 ("FYE 2018") continues to remain positive with challenges ahead and hopes to achieve a better result than this year. The Group will continue to be well positioned to improve our performance in forthcoming FYE 2018, strive towards maintaining the Group's vision to be the world's leading manufacturer of quality industrial hoses. We are also encouraged by our customers for continued growth and expansion in our core business with the support from all stakeholders.

CORPORATE GOVERNANCE

The Group is committed to implement the best practice of corporate governance to enhance and increase shareholders' value. The Group has its risk management and internal control procedures to ensure transparency, accountability and integrity are attained and maintained in managing the Group businesses.

Policies that the Group has officially adopted includes Corporate Disclosure Policy, Fraud Policy, Whistle Blowing Policy, Enterprise Risk Management Policy, Succession Planning Policy, Emergency Succession Policy and Sustainability Policy, where the Group will continue to adopt more corporate policies to ensure sustainability of the Group.

The Board of Directors' responsibilities for preparing the annual audited financial statements are disclosed in the Directors' Responsibilities Statement set in this Annual Report 2017.

The audited financial statements of Wellcall is not subject to any qualification as disclosed in the Independent Auditors' Report to the Members.

DIVIDEND

The Board of Directors is not recommending any final dividend payment for FYE 2017.

For FYE 2017, the Company had:

- i) On 29th March 2017, paid a first interim single tier dividend of 2.30 sen per share on 331,965,037 ordinary shares amounting to RM7,635,197;
- ii) On 22nd June 2017, paid a second interim single tier dividend of 2.30 sen per share on 331,965,037 ordinary shares amounting to RM7,635,196;
- iii) On 29th September 2017, paid a third interim single tier dividend of 1.55 sen per share on 497,947,555 ordinary shares amounting to RM7,718,190; and
- iv) On 22nd December 2017, paid a special interim single tier dividend of 1.55 sen per share on 497,947,555 ordinary shares amounting to RM7,718,187.

The Group has been consistently paying out dividends with increasing trend over the past five (5) financial years. The Group has also maintained its dividend pay-out ratio over the past five (5) financial years of more than 50%.

APPRECIATION

On behalf of the Management, I wish to express my sincere appreciation and gratitude to all our valued shareholders, business associates, government agencies, financial institutions, investment analysts, bankers and fund managers, customers, suppliers and friends for their continued support, co-operation and confidence towards our products and services. Our appreciation is also extended to our employees for their commitment, dedication, invaluable contribution, skills, energy and professionalism towards the performance of the Group. The successes of the Group achieved in FYE 2017 could not have been possible without their efforts. I would also like to thank our fellow Board of Directors for their valuable advice, guidance and support rendered to the Group.

WORKING EXPERIENCE

He was appointed to the Board of Wellcall on 17 April 2006 and was appointed Managing Director on even date. Huang Sha began his career in 1972 upon completing his secondary education and worked for various manufacturers of rubber products in Taiwan and Indonesia and progressed to the position of production manager. From 1989 to the mid-1990s, he joined Jetflo Robin (M) Sdn. Bhd., a manufacturer of industrial rubber hose, as a General Manager. Subsequently, he established our subsidiary, Wellcall Hose (M) Sdn. Bhd. ("WHSB"), together with 2 other partners. With his in-depth knowledge, skills and expertise in all aspects of the manufacturing of rubber hose for more than 31 years, he has formulated our subsidiary's strategic plans to be in line with the changes in the trends of various industries and customers' needs. He has also led WHSB to new heights by diversifying its customer's base and expanding its existing product range in the oil and gas sector as well as developing 3 new rubber hose, namely food and beverage hose, chemical hose and steam hose. As recognition for his achievement in the industry, he was awarded the Winner of the Global Top Enterprise Golden Solid Awards by the Chinese Enterprise Development Association of Taiwan on 2 October 2004 and won The Asia Pacific Entrepreneurship Awards 2015 in September 2015. Recently, Huang Sha has also cruised WHSB to a greater height as the winner of the 19th Outstanding Overseas Taiwanese SMEs Award. He also heads our R&D division where he plays a pivotal role in the product formulation and development. He is also the Managing Director of our subsidiary, WHSB, where he is currently responsible for the strategic planning and development of our Group.

CORPORATE GOVERNANCE STATEMENT

The Board of Wellcall Holdings Berhad (the “Company”) recognises the importance of adopting high standards of corporate governance in the Company in order to safeguard stakeholders’ interests as well as enhancing shareholders’ value.

Pursuant to Paragraph 15.25 of the Listing Requirements of Bursa Malaysia Securities Berhad (“Bursa”), this Corporate Governance Statement (the “Statement”) sets out how the Company has applied the Principles of the Malaysian Code on Corporate Governance (“MCCG 2012”) and observed the Recommendations supporting the Principles for the year under review. Where a specific Recommendation of the MCCG 2012 has not been observed during the year under review, the non-observation, including the reasons thereof, and the alternative practice, if any, is mentioned in this Statement.

This statement sets out the manner in which the Group has applied the principles and recommendations of MCCG 2012 and the Board will continue to implement measures to improve compliance with principles and recommended best practices moving forward.

Principle 1 - Establish Clear Roles and Responsibilities of the Board and Management

The Board recognises the key role it plays in charting the strategic direction of the Company and has assumed the following principal responsibilities in discharging its fiduciary and leadership functions:

- reviewing and adopting a strategic plan for the Company, addressing the sustainability of the Group’s business;
- reviewing and approving quarterly financial results and the annual audited financial statements to be submitted to Bursa Malaysia Securities Berhad (“Bursa Malaysia”) and the relevant authorities;
- declaring and recommending dividend payment which is subject to the compliance with the provisions of the Companies Act, 2016 and the Main Market Listing Requirements of Bursa Securities;
- overseeing the conduct of the Group’s businesses and evaluating whether or not its businesses are being properly managed;
- reviewing principal business risks faced by the Group which were identified by Risk Management Committee and ensuring the implementation of appropriate internal controls and mitigating measures to address such risks;
- ensuring that all candidates appointed to Senior Management positions are of sufficient caliber, including the orderly succession of Senior Management personnel;
- overseeing the development and implementation of a shareholder communications policy, including an investor relations programme for the Company; and
- reviewing the adequacy and integrity of the Group’s internal control and management information systems.

To assist in the discharge of its stewardship role, the Board has established Board Committees, namely the Audit Committee, Nomination Committee, Remuneration Committee, Risk Management Committee and Corporate Disclosure Committee to examine specific issues within their respective terms of reference as approved by the Board and report to the Board with their recommendations. The ultimate responsibility for decision making, however, lies with the Board.

Principle 1 - Establish Clear Roles and Responsibilities of the Board and Management (Cont'd)

Board Charter

Whilst Directors and Management of the Company are aware of their respective roles and responsibilities, including the limits of authority accorded, the Board recognizes the need to formalize such demarcation of duties to provide clarity and guidance to Directors and Management. Accordingly, the roles of the Board, Board Committees, Executive and Non-Executive Directors are specified in the Company's Board Charter. The Board Charter, which has been adopted by the Board, serves as a referencing point for Board's activities to enable Directors carry out their stewardship role and discharge their fiduciary duties towards the Company. The Board Charter also includes a formal schedule of matters reserved to the Board for deliberation and decision so that the control and direction of the Company are in the Board's hands. In line with Recommendation 1.7 of the MCCG 2012, the Board Charter has been uploaded on the Company's website at www.wellcallholdings.com. The Board will review the Board Charter of the Company annually and will update the Board Charter where appropriate, from time to time.

Code of Conduct and Whistle-Blowing Policy

The Board has developed a Code of Conduct for employees of the Group in the Employees' Handbook, setting out the standards of conduct expected from employees, to engender good corporate behavior across the Group. The Board also observes a set of Code of Conduct and Ethics for the Directors which is based on the Code of Conduct and Ethics launched by the Companies Commission of Malaysia.

The Group also formalised a Whistle-Blowing Policy and Fraud Policy on 24 August 2016, which outline when, how and to whom a concern may be properly raised about the actual or potential corporate fraud or breach of conduct involving employee, Management or Director in the Group. The Board also recognizes the importance of adherence to the Code by all personnel in the Group and will take measures to put in place a process to ensure its compliance. Both Whistle-Blowing Policy and Fraud Policy have been uploaded on the Company's website at www.wellcallholdings.com.

Succession Planning

The Board is mindful of the importance of business sustainability and, in conducting the Group's business, the impact on the environmental, social and governance aspects is taken into consideration. Accordingly, the Board will take steps to establish and formalize the Company's sustainability policy and embed the economic, environment, social and governance elements in its corporate strategy.

The Board had also formalized a Succession Planning Policy. This policy is applied in order to meet the following objectives:

- To ensure the Group is prepared with a plan to support operations and service continuity when the Group Managing Director ("MD"), senior management or key operation personnel leave their positions;
- To prepare a supply of suitable, qualified and motivated employees for higher roles and responsibilities;
- To develop career paths for employees which will facilitate the Group's ability to recruit and retain performance oriented or highly talented employees;
- To deliver a message to the Group's employees that they are valuable assets to the Group; and
- To develop reliable assessment procedures and ensure that these procedures are applied systematically across the Group.

Corporate Governance Statement

Principle 1 - Establish Clear Roles and Responsibilities of the Board and Management (Cont'd)

Sustainability of Business

The Board is mindful of the importance of business sustainability and, in conducting the Group's business, the impact on the environmental, social and governance aspects is taken into consideration. The Company has always carried out activities which endeavor to maintain a proper balance between our economic, social and environmental responsibilities and the interest of our stakeholders. The Company has always embraced responsibility to promote sustainability into its business by encouraging positive impact through its activities on the Environment, Market Place, Work Place, Community and also promoting a good governance.

During the financial year, the Group had carried out corporate social activities with the intention of having a positive impact on the economy, society and the environment. The activities carried out such as the adoption of 3R concept in promoting recycling. The Group also received recognition in relation to the Company's efforts in promoting good business ethnics. Besides the above, the Group's detailed activities on corporate social responsibilities for the financial year under review are also disclosed in this Annual Report. The Board had formalized the Company's sustainability policy and embed the environment, social and governance elements in its corporate strategy.

In addition to the above, the Board had also approved and formalized an Emergency Succession Policy. The Board recognises that there is a need to plan for contingencies due to the disability, death or departure of any Executive Director who manages the day to day operations of the Company. However, while the Board of Directors acknowledges that such event is highly improbable and certainly undesirable, it also believes that due diligence in exercising its governance functions requires that it have an emergency executive succession plan in place. It is expected that this plan will ensure continuity in external relationships and in staff functioning. As such, if the Group face with the unlikely event of an untimely vacancy, the Group has in place an Emergency Succession Plan to facilitate the transition to both interim and longer-term leadership.

Supply of, and Access to, Information

All Directors are provided with an agenda and the relevant Board papers prior to every Board meeting to ensure that the Directors are fully apprised on matters or key issues affecting the Group as well as to enable Directors to make well-informed decisions on matters arising at the Board meetings. The Company Secretary records all the deliberations, including pertinent issues, the substance of inquiries and responses, Board members' suggestions and the decision made in the minutes of meeting. The minutes of every Board meeting are also circulated to Directors for their perusal prior to confirmation of the same at the following Board meeting.

In addition, the Board members are updated on the Company's activities and its operations on a regular basis. Directors have access to all information of the Company on a timely basis in an appropriate manner and quality necessary to enable them to discharge their duties and responsibilities.

Senior Management of the Group and external advisers are invited to attend Board meetings to provide additional insights and professional views, advice and explanations on specific items on the meeting agenda. Besides direct access to Management, Directors may obtain independent professional advice at the Company's expense, if considered necessary, in furtherance of their duties.

Directors have unrestricted access to the advice and services of the Company Secretary to enable them to discharge their duties effectively. The Board is regularly updated and advised by the Company Secretary who is qualified, experienced and competent on statutory and regulatory requirements, and the resultant implications of any changes therein to the Company and Directors in relation to their duties and responsibilities. The Company Secretary, who oversees adherence with board policies and procedures, briefs the Board on the proposed contents and timing of material announcements to be made to regulators. The Company Secretary attends all Board and Board Committees meetings and ensures that meetings are properly convened, and that accurate and proper records of the proceedings and resolutions passed are taken and maintained accordingly. The removal of Company Secretary, if any, is a matter for the Board, as a whole, to decide.

Principle 1 - Establish Clear Roles and Responsibilities of the Board and Management (Cont'd)

Support of Qualified and Competent Company Secretaries

The Board is supported by suitably qualified and competent Company Secretaries who are members of a professional body, The Malaysian Institute of Chartered Secretaries and Administrators. The Board is satisfied with the performance and support rendered by the Company Secretaries to the Board in discharging their duties. The role of the Company Secretary has been set out clearly in the Board Charter. The Company Secretaries play an advisory role to the Board in relation to the Company's Constitution, Board's policies and procedures and compliances with relevant regulatory requirements codes. The Company Secretaries support the Board in managing the Group's governance model, ensuring it is effective and relevant. All Directors are provided with an agenda and the relevant Board papers prior to every Board meeting to ensure that the Directors are fully apprised on matters or key issues affecting the Group as well as to enable Directors to make well-informed decisions on matters arising at the Board meetings. The Company Secretary records all the deliberations, including pertinent issues, the substance of inquiries and responses, Board members' suggestions and the decision made in the minutes of meeting. The minutes of every Board meeting are also circulated to Directors for their perusal prior to confirmation of the same at the following Board meeting.

The Board ensures that the Company Secretaries that are selected and appointed have the relevant competent, experience and skills.

Principle 2 - Strengthen Composition of the Board

During the financial year under review, the Board consisted of nine (9) members, comprising one (1) Independent Non-Executive Chairman, one (1) Non-Independent Managing Director, one (1) Non-Independent Executive Director, two (2) Non-Independent Non-Executive Directors, four (4) Independent Non-Executive Directors and one (1) Alternate Director. This composition fulfills the requirements as set out under the Listing Requirements of Bursa, which stipulate that at least two (2) Directors or one-third of the Board, whichever is higher, must be Independent.

The profile of each Director is set out in Directors' Profile of this Annual Report.

The composition of the Board not only reflects the broad range of experience, skills and knowledge required to successfully direct and supervise the Group business activities, but also the importance of independence in decision making at the Board level.

There are five (5) main board committees namely:-

- Audit Committee ("AC")
- Nomination Committee ("NC")
- Remuneration Committee ("RC")
- Risk Management Committee ("RMC")
- Corporate Disclosure Committee ("CDC")

Corporate Governance Statement

- 1. Mr. Yong Peng Tak – Chairman (Independent Non-Executive Director)
- 2. Mr. Goh Hoon Leum - Member (Independent Non-Executive Director)
- 3. Mr. Yang Chong Yaw, Alan – Member (Independent Non-Executive Director)

The Nomination Committee is chaired by Mr. Yong Peng Tak who is also the Senior Independent Non-Executive Director. The terms and reference of the Nomination Committee has been uploaded on the Company's website at www.wellcallholdings.com.

Principle 2 - Strengthen Composition of the Board (Cont'd)

Nomination Committee - Selection and Assessment of Directors (Cont'd)

The duties and responsibilities of the Nomination Committee ("NC") are primarily as follows:

- To regularly review the Board structure, size and composition and make recommendations to the Board with regard to any adjustments that are deemed necessary;
- To review and recommend new nominees for appointment to the Board of Directors when deem necessary, in making its recommendations, the NC would consider the candidates:
 - o Skills, knowledge, expertise and experience;
 - o Professionalism and sound judgement;
 - o Integrity and credibility; and
 - o In the case of the candidates for the position of Independent Non-Executive Directors ("INED"), the NC would evaluate the candidates' ability to discharge such responsibilities as expected from an INED.
- To assess the performance of Directors on an on-going basis, the effectiveness of the Board as a whole, the Committees of the Board and the contribution of each individual Director. All assessments and evaluations carried out by the NC in the discharge of all its functions are properly documented;
- To recommend to the Board, Directors to fill the seats on Board Committees;
- To review regularly review the Board's mix skills and experience and other qualities including core competencies which Non-Executive Directors should bring to the Board;
- To recommend to the Board for continuation in service of Executive Directors and Directors who are due for retirement;
- To orientate and educate new Directors on nature of business, the corporate strategies, current issues within the Group, the expectations of the Group concerning input from Director and the general responsibilities of Directors;

The final decision on the appointment of a candidate recommended by Nomination Committee rests with the whole Board. The Board is entitled to the services of the Company Secretary who would ensure that all appointments are properly made upon obtaining all necessary information from the Directors.

Statement on Activities of the Nomination Committee

During the financial year, the Nomination Committee meeting was attended by all members. During the meetings, the following matters were discussed:-

1. The Nomination Committee carried out a self evaluation, assessed the effectiveness of the Board as a whole, the Board Committees and the contribution from each Director and reported to the Board. The Nomination also reviewed the independence of the Directors annually.
2. The performance of Directors who were retiring namely, Y.B. Dato' Haji Mohtar Bin Nong, Mr. Leong Hon Chong, Mr. Goh Hoon Leum and Mr. Yang Chong Yaw, Alan, and subject to re-election at the annual general meeting were assessed by the Nomination Committee and recommendation was submitted to the Board for decision on the tabling of the proposed re-election of the Director concerned for shareholders' approval. All assessments and evaluations carried out by the Nomination Committee are properly documented.

Corporate Governance Statement

Principle 2 - Strengthen Composition of the Board (Cont'd)

Statement on Activities of the Nomination Committee (Cont'd)

3. The Nomination Committee had also reviewed and recommended to the Board the retention of Mr. Yang Chong Yaw, Alan, as Independent Non-Executive Director of the Company for a cumulative term of more than nine (9) years pursuant to The Malaysian Code of Corporate Governance 2012, be approved. The reason of this recommendation is explained at a later part of this Corporate Governance Statement.
4. Save as disclosed above, the other remaining Independent Non-Executive Directors, namely, Datuk Ng Peng Hay @ Ng Peng Hong, Mr. Goh Hoon Leum, Mr. Yong Peng Tak and Y.B. Dato' Haji Mohtar Bin Nong, had held their positions for a period of not more than nine (9) years.
5. Following to the enforcement of the Companies, Act 2016 which came into force on 31 January 2017 repealing the Companies Act, 1965, a Director of a public company of or over the age of seventy (70) is no longer subject to the retirement at the Twelfth AGM. At the previous Eleventh Annual General Meeting held on 23 February 2017, Mr. Leong Hon Chong, who is over seventy (70) years of age has been re-appointed as a Director of the Company pursuant to Section 129(6) of the former Companies Act, 1965 to hold office until the conclusion of the Eleventh Annual General Meeting in 2017. The Nomination Committee is also reviewed and recommended re-appointment of Mr. Leong Hon Chong at the Twelfth Annual General Meeting of the Company without any further requirement for him to seek re-appointment in the future except that he will be subject to retirement by rotation pursuant to Article 94 of the Company's Articles of Association. The proposed Ordinary Resolution 4, if passed, will confirm the appointment of Mr. Leong Hon Chong as a Director of the Company at the Twelfth Annual General Meeting.

Insofar as board diversity is concerned, the Board does not discriminate on the basis of age, gender, physical disability or religion. The evaluation of the suitability of candidates for filling of casual vacancy, re-election or re-appointment is solely based on the candidates' competency, character, time commitment, integrity and experience in meeting the needs of the Company, including, where appropriate, the ability of the candidates to act as Independent Non-Executive Directors, as the case may be. The Nomination Committee has also taken this into consideration when assessing the performance of the Directors.

2. Mr. Yang Chong Yaw, Alan - Member (Independent Non-Executive Director)
3. Mr. Huang Sha - Member (Group Non Independent Managing Director)

The Remuneration Committee has been entrusted by the Board with specific terms of reference to review and recommend to the Board an appropriate remuneration framework for Executive Directors, including recommendations to the Board on all elements of remuneration, terms of employment, reward structures and fringe benefits for Executive Directors, sufficient enough to attract and retain Directors of quality required to manage the business of the Group. The remuneration package of Non-Executive Directors is also assessed by the Remuneration Committee and recommended to the Board thereafter.

In the case of Executive Directors, the components of the remuneration package are linked to corporate and individual performance. For Non-Executive Directors, the level of remuneration is reflective of their experience and level of responsibilities. The determination of each Director's remuneration is a matter for the Board, as a whole. Directors do not participate in decision regarding their own remuneration package.

During the financial year under review, the Committee met once and attended by all members. During the meeting held, the Remuneration Committee recommended to the Board performance related bonuses and also remuneration packages to the Executive Directors and senior management of the Company.

Details of the aggregate remuneration of Directors for the financial year ended 30 September 2017 are as follows:

	Company		Group	
	Executive Director RM'000	Non-Executive Director RM'000	Executive Director RM'000	Non-Executive Director RM'000

The Company has opted not to disclose each Director's remuneration as the Board considers the information to be sensitive and proprietary.

Corporate Governance Statement

[cont'd]

Principle 2 - Strengthen Composition of the Board (Cont'd)

Risk Management Committee

The Risk Management Committee comprises mainly of the management staff which is the General Manager and all Head of Departments. During the financial year, the Risk Management Committee established the Enterprise Risk Management Policy and the Board of Directors approved and formalized the policy. The Enterprise Risk Management has been uploaded on the Company's website at www.wellcallholdings.com. Currently the Risk Management Committee is undertaking steps to re-assess and updating its risk profile. During the year, the Risk Management Committee has reported to the Audit Committee twice.

Corporate Disclosure Committee

The Corporate Disclosure Committee is mainly comprises of the Executive Director, General Manager and Financial Controller and any information which is disclosed to the public must obtain prior approval from the Board of Directors before being released. During the financial year, the Board had also formalized the Corporate Disclosure Policy. According to this policy, the Company discloses material information to the public based on five (5) principles: transparency, timeliness, fairness, continuity and confidentiality. The Corporate Disclosure Policy has been uploaded on the Company's website at www.wellcallholdings.com.

Principle 3 - Reinforce Independence of the Board

Directors' Independence

There is a clear division of responsibilities between the Group Independent Non-Executive Chairman and the Group Managing Director to embed accountability and facilitate the division of responsibility, such that no one individual has unfettered powers over decision making. The Chairman is responsible for ensuring the adequacy and effectiveness of the Board's governance process and acts as a facilitator at Board meetings to ensure that contributions by Directors are forthcoming on matters being deliberated and that no Board member dominates discussion. The Managing Director, supported by his fellow Executive Director, implements the Group's strategic plan, policies and decisions adopted by the Board; and oversees the operations and business development of the Group.

The Board recognises the importance of independence and objectivity in the decision-making process. Executive Directors are responsible for the management of day-to-day business operations in the respective business units of the Group as well as the implementation of policies and decisions approved by the Board, whilst the Board sets the strategic direction for the Group.

The presence of Independent Non-Executive Directors ensures that issues of strategies, performance and resources proposed by Management are objectively evaluated, taking into consideration the long-term interests of shareholders, employees, customers, suppliers and other communities in which the Group conducts its business. The Independent Non-Executive Directors also ensure that the investment of minority shareholders is fairly reflected through Board representation.

The Company recognises the contribution of the Independent Non-Executive Directors as equal Board members to the development of the Company's strategy, the importance of representing the interests of public shareholders and providing a balanced and independent view to the Board. All Independent Non-Executive Directors are independent of Management and free from any relationship which could interfere with their independent judgment. They contribute significantly in areas such as policy and strategy, performance monitoring, allocation of resources as well as improving governance and controls. Mr. Yong Peng Tak has been identified by the Board as the Company's Senior Independent Non-Executive Director, to whom concerns may be conveyed by fellow Directors, shareholders and other stakeholders.

Mr. Yang Chong Yaw, Alan, has served the Board as Independent Non-Executive Directors beyond the 9-year tenure limit promulgated by the MCGG 2012. Hence, the Board has, after conducting an assessment on his performance as Independent Directors, recommended him for shareholders' approval to continue to act as Independent Non-Executive Directors for the ensuing year based on the following justifications:

Principle 3 - Reinforce Independence of the Board (Cont'd)

Directors' Independence (Cont'd)

- a. He has fulfilled the criteria under the definition of Independent Director as stated in the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, and thus, are able to function as a check and balance, bringing an element of objectivity to the Board;
- b. He has devoted sufficient time and attention to their professional obligations for informed and balanced decision making; and
- c. He has continued to exercise their independence and due care during their tenure as Independent Non-Executive Directors and carried out their professional duties in the best interests of the Company and shareholders.

From the assessment conducted by the Nomination Committee, it was acknowledged that Mr. Yang Chong Yaw, Alan has met the independence guideline as set out in Chapter 1 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad. The Board upon the recommendation from the Nomination Committee of the Company, therefore, considers Mr. Yang Chong Yaw, Alan to be Independent and recommends him to remain as an Independent Non-Executive Director subject to the approval from the shareholders of the Company through a two-tier voting process pursuant to Practice No. 4.2 of the Malaysian Code on Corporate Governance 2017. For Ordinary Resolution 9 on the Proposed Continuation in Office as Independent Non-Executive Directors as set out in the Notice of the Twelfth Annual General Meeting of the Company, if passed, Mr. Yang Chong Yaw, Alan shall to be retained as Independent Non-Executive Director.

The criteria for independent directors used by the Board in assessing the Independent Directors of the Company accord with those of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

Diversity Policy

Currently the Board has not set the limit for diversification on its Board composition to achieve the 30% representation from Women as the Board is of the opinion that the appointment of directors are based on merits without giving regards to the gender of the appointed directors and also consider the following criteria:-

- i) who have required mix skills, experience and other qualities and competencies;
- ii) to ensure that the highest standard of conduct and integrity are maintained;
- iii) fulfilling the regulatory compliance and selection criteria;
- iv) who can provide effective contribution and support to the functions of the Board; and
- v) who are more in tune with the business model of the Company.

However, the Board has directed the management of the Company to begin the assessment of its current diversity levels of the Group and consider linking achievement of the measurable objective to be established by the Board. Consideration must be given to all recommendations to the Board the establishment of the measurable diversity objectives and also that to link the achievement of these measurable objectives to key performance indicators of the Company. The Nomination Committee shall review and monitor from time to time the status of the diversity level.

Principle 4 - Foster Commitment of Directors

The Board meets at least five (5) times a year and additional meetings are held as and when necessary. Board Meetings are scheduled in advance at the end of the previous financial year prior to commencement of the new financial year to enable Directors to plan ahead and fit the year's meetings into their own schedules.

Corporate Governance Statement

[cont'd]

Principle 4 – Foster Commitment of Directors (Cont'd)

In the intervals between Board meetings, for exceptional matters requiring urgent Board decisions, Board approvals are obtained via circular resolutions which are supported with information necessary for an informed decision.

During the financial year ended 30 September 2017, five (5) Board meetings were held. Details of the attendance are as follows:

Directors	Position	No. of Board Meetings Attended	Percentage (%)
Datuk Ng Peng Hong @ Ng Peng Hay	Group Chairman, Independent Non-Executive Director	5/5	100%
Mr. Huang Sha	Group Managing Director	5/5	100%
Mr. Leong Hon Chong	Executive Director	5/5	100%
Mr. Goh Hoon Leum	Independent Non-Executive Director	5/5	100%
Mr. Tan Kang Seng	Non-Independent Non-Executive Director	5/5	100%
Dato' Haji Mohtar Bin Nong	Independent Non-Executive Director	5/5	100%
Mr. Yang Chong Yaw, Alan	Independent Non-Executive Director	5/5	100%
Mr. Yong Peng Tak	Senior Independent Non-Executive Director	5/5	100%
Mr. Tan Kang Foon	Non-Independent Non-Executive Director	5/5	100%
Mr. Huang Kai Lin (Alternate to Mr. Leong Hon Chong)	Alternate Director	5/5	100%

The Chairman of the Board chairs the Board Meetings while the Managing Director of the Company leads the presentation and provides explanation on the Board papers and reports. Senior management staff may be invited to attend the Board and Board Committee Meetings to advise and provide the Board and Board Committee members with the presentations, detailed explanation and clarification on relevant agenda items that have been tabled to the Board to enable them to arrive at a considered decision.

At the quarterly Board meetings, the Board reviews the business performance of the Group and discusses major operational and financial issues. The Chairman of each Board Committee informs the Directors at each Board meetings of any salient matters noted during the respective Committees' meetings which require the Board's notice or direction. All pertinent issues discussed at Board meetings in arriving at the decisions and conclusions are properly recorded by the Company Secretaries by way of minutes of meetings.

It is the practice of the Company for Directors to devote sufficient time and efforts to carry out their responsibilities. In addition, the Board Charter sets out a policy requiring Directors to notify the Chairman before accepting any new directorships notwithstanding that the Listing Requirements of Bursa allow a Director to sit on the boards of five (5) listed issuers. Such notification is expected to include an indication of time that will be spent on the new appointment.

Corporate Governance Statement

Principle 4 - Foster Commitment of Directors (Cont'd)

Directors' Training - Continuing Education Programmes

The Board is mindful of the importance for its members to undergo continuous training to be apprised on changes to regulatory requirements and the impact such regulatory requirements have on the Group.

As an integral element of the process of appointing new Directors, the Board ensures that there is an orientation and education programme for new Board members. This is supplemented by visits to key locations and meetings with other key senior executives. Directors also receive further training from time to time, particularly on relevant new laws and regulations and changing commercial risks.

All Directors of the Company have attended the Mandatory Accreditation Programme conducted by Bursa Malaysia Training Sdn Bhd within the stipulated timeframe required in the Listing Requirements.

The Board acknowledges that continuous training is important to enable the Directors to effectively discharge their duties. The Board will on a continuous basis, evaluate and determine the training needs of its Directors.

On 28 August 2017, all the directors had attended a training session entitled "The Malaysia Code on Corporate Governance Key Changes and Impact to the Board and Management" conducted by a former risk consulting partner of KPMG Malaysia.

Save as disclosed, seminars and briefings attended by the Directors of the Company during the financial year were as follows:-

Mr. Goh Hoon Leum

The Company Secretaries normally circulate the relevant guidelines on statutory and regulatory requirements from time to time for the Board's reference and brief the Board on these updates, where applicable. The External Auditors also brief the Board members on any changes to the Malaysian Financial Reporting Standards that affect the Group's financial statements for the financial year under review.

Corporate Governance Statement

[cont'd]

Principle 5 – Uphold Integrity in Financial Reporting by the Company

It is the Board's commitment to present a balanced and meaningful assessment of the Group's financial performance and prospects at the end of each reporting period and financial year, primarily through the quarterly announcement of Group's results to Bursa, the annual financial statements of the Group and Company as well as the Chairman's statement and review of the Group's operations in the Annual Report, where relevant. A statement by the Directors of their responsibilities in the preparation of financial statements is set out in the ensuing paragraph.

In assisting the Board to discharge its duties on financial reporting, the Board has established an Audit Committee, comprising wholly Independent Non-Executive Directors, with Mr. Goh Hoon Leum as the Committee Chairman. The composition of the Audit Committee, including its roles and responsibilities, are set out in the Audit Committee Report in this Annual Report. One of the key responsibilities of the Audit Committee in its specific terms of reference is to ensure that the financial statements of the Group and Company comply with applicable financial reporting standards in Malaysia and provisions of the Companies Act, 2016, as the case may be. Such financial statements comprise the quarterly financial report announced to Bursa and the annual statutory financial statements.

The Board maintains a transparent and professional relationship with the external auditors. The Audit Committee invites the external auditors to attend all its meetings and when required to discuss their audit plan, audit findings and the financial statements. The Audit Committee also meets the external auditors without the presence of the Executive Directors and management at least twice (2) a year on any matters relating to the Group and its audit activities. From time to time, the external auditors highlight matters that require the Board's attention.

The Board understands its role in upholding the integrity of financial reporting by the Company. Accordingly, the Audit Committee, which assists the Board in overseeing the financial reporting process of the Company, has adopted a policy on the types of non-audit services permitted to be provided by the external auditors, including the need for the Audit Committee's approval in writing before such services are provided by the external auditors. To address the "self review" threat faced by the external audit firm, the procedures to be included in the policy require the engagement team conducting the non-audit services to be different from the external audit team.

In assessing the independence of external auditors, the Audit Committee requires assurance by the external auditors, confirming that they are, and have been, independent throughout the conduct of the audit engagement with the Company in accordance with the independence criteria set out by the International Federation of Accountants and the Malaysian Institute of Accountants.

Principle 6 – Recognise and Manage Risks of the Group

Recognising the importance of risk management, the Board via a structured risk management framework, identifies, evaluates, controls, monitors and reported the principal business risks faced by the Group on an ongoing basis. A Risk Management Committee has been formed and led by the Company's General Manager and comprising of all the Head of Departments of the Group.

The risk profiles of the Group will be reviewed on an annual basis. Further details of this process are set out in the Statement of Risk Management and Internal Control in this Annual Report.

The internal audit function of the Group is outsourced to an independent professional firm, whose work is performed with impartiality, proficiency and due professional care, and in accordance with the International Professional Practices Framework of the Institute of Internal Auditors, Incorporated, which sets out professional standards on internal audit. It undertakes regular reviews of the adequacy and effectiveness of the Group's system of internal controls and risk management process, as well as appropriateness and effectiveness of the corporate governance practices. The Internal Audit reports directly to the Audit Committee. Further details on the internal audit function can be seen in the Audit Committee Report and the Statement of Risk Management and Internal Control in this Annual Report.

Principle 7 - Ensure Timely and High Quality Disclosure

The Board has established and formalized a Corporate Disclosure Policy in order to enable comprehensive, accurate and timely disclosures relating to the Company and its subsidiaries to be made to the regulators, shareholders and stakeholders. The Corporate Disclosure Policy not only to comply with the disclosure requirements as stipulated in the Listing Requirements of Bursa, but also setting out the persons authorised and responsible to approve and disclose material information to regulators, shareholders and stakeholders.

To augment the process of disclosure, the Board had earmark a dedicated section for corporate governance on the Company's website, where information on the Company's announcements to the regulators, the Board Charter, rights of shareholders and the Company's Annual Report may be accessed.

All information made available to Bursa Malaysia Securities Berhad are immediately uploaded to the Company's website at www.wellcallholdings.com.

Principle 8 - Strengthen Relationship Between the Company and Its Shareholders

Shareholder participation at general meeting

The Annual General Meeting ("AGM"), which is the principal forum for shareholder dialogue, allows shareholders to review the Group's performance via the Company's Annual Report and pose questions to the Board for clarification. At the AGM, shareholders participate in deliberating resolutions being proposed or on the Group's operations in general. At the last AGM, a question & answer session was held where the Chairman invited shareholders to raise questions with responses from the Board.

The Notice of AGM is circulated at least twenty-eight (28) days before the date of the meeting to enable shareholders to go through the Annual Report and papers supporting the resolutions proposed. Shareholders are invited to ask questions both about the resolutions being proposed before putting a resolution to vote as well as matters relating to the Group's operations in general.

All the resolutions set out in the Notice of the last AGM were put to vote by show of hands and duly passed in the past. The Company had implemented the poll voting since the last annual general meeting. The outcome of the AGM was announced to Bursa on the same meeting day. The Board will adopt poll voting for any resolution set out in the notice of any general meeting, or in any notice of resolution may properly be moved and is intended to be moved at any general meeting, including the announcement of the detailed results showing the number of votes cast for and against each resolution. In addition, the Company will appoint scrutineer to validate the votes cast at the general meetings. The Board has ensured that each item of special business included in the notice of the annual general meeting is accompanied by a full explanation of the effects of a proposed resolution.

Communication and engagement with shareholders

The Board recognises the importance of being transparent and accountable to the Company's investors and stakeholders, as such, has various channels to maintain communication with them. The various channels of communications are through the quarterly announcements and press releases on financial results to Bursa, relevant announcements and circulars, press releases, when necessary, the Annual and Extraordinary General Meetings and through the Group's website at where shareholders can access pertinent information concerning the Group.

The upcoming Annual General Meeting represents the principal forum for dialogue and interaction with shareholders. Shareholders are accorded both the opportunity and time to raise questions on agenda items of the general meeting. The notices of Annual General Meeting are sent out to shareholders at least twenty-eight (28) days before the date of the meeting in accordance to the Company's Articles of Association.

The Board will consider adopting electronic voting to facilitate greater shareholders participation when facilities and mechanism for electronic voting are more prevalent in the future.

Compliance statement

The Board is supportive of all the Recommendations of the Code and will take reasonable steps to review existing policies and procedures in place from time to time to ensure full compliance thereof.

STATEMENT ON RISK MANAGEMENT AND INTERNAL CONTROL

INTRODUCTION

The Board is committed to maintaining a sound system of risk management and internal control in the Group and is pleased to provide the following Internal Control Statement (the "Statement"), which outlines the nature and scope of risk management and internal control of the Group during the financial year under review. This Statement also takes into account the Statement on Risk Management and Internal Control – Guidelines for Directors of Listed Issuers released by Bursa Malaysia Securities Berhad ("Bursa Securities") on the issuance of Internal Control Statement pursuant to paragraph 15.26(b) of the Listing Requirements of Bursa Securities for Main Market.

BOARD'S RESPONSIBILITY

The Board is ultimately responsible for the Group's system of risk management and internal control ("system"), which includes the establishment of an appropriate control environment and risk management framework as well as reviewing their adequacy and effectiveness in safeguarding shareholders' investment and the Group's assets. In view of the limitations inherent in any system of risk management and internal control, the system is designed to manage, rather than to eliminate, the risk of failure to achieve the Group's business and corporate objectives. Accordingly, the system can only provide reasonable, but not absolute, assurance against material misstatement or loss. The system of internal control covers, inter-alia, financial, organisational, operational and compliance controls as well as risk management.

The Board affirms that there is an on-going process for identifying, evaluating and managing the significant risks faced by major companies in the Group. This review process is conducted by the Company's Management team and out-sourced internal audit function.

Besides confirming that this process has been in place for the financial year under review and up to the date of approval of this Statement for inclusion in the Annual Report of the Company, the Board, through the Audit Committee, also reviews the adequacy and effectiveness of the risk management and internal control system in the Group to ensure that appropriate measures are carried out to obtain the level of assurance required by the Board.

RISK MANAGEMENT GOVERNANCE AND SYSTEM

In line with Recommendation 6.1 of the Malaysian Code on Corporate Governance 2012, the Board has established a structured risk management framework ("Framework") to identify, evaluate, control, report and monitor significant business risks faced by major companies in the Group, where the updated risk profiles of the companies concerned are tabled to the Board for deliberation and action plans to be taken by Management in mitigating the risks, as deemed necessary.

The Board had formalised its Risk Management Committee ("RMC") which is headed by the General Manager and comprised of the Head of each Department. The RMC had also presented its Enterprise Risk Management Policy ("ERM Policy") which was tabled and approved by the Board of Directors. According to the ERM Policy, the RMC shall meet at least twice a year. The RMC re-assesses and updates its risk profiles and register on a periodically basis. The RMC tabled its risk management report twice a year to the Board via the quarterly meeting.

This ERM Policy enables the Management and the Board to share a common model in the effective communication and evaluation of principal risks faced by the Group and internal controls implemented to address the risks concerned. The process involved Management's identification of risks, assessment of risks and controls and formulation of appropriate action plans before these were escalated to the Board for review.

Statement on Risk Management and Internal Control

[cont'd]

RISK MANAGEMENT GOVERNANCE AND SYSTEM (CONT'D)

The business risks identified are scored for likelihood of their occurrence and the magnitude of impact upon the Group based on the relevant risk parameters that articulate the risk appetite of the companies concerned. The internal audit function carried out its internal audit based on the risk profiles of major companies in the Group.

The key elements of the Group's Enterprise Risk Management Policy comprise the following:

- i) Risk Identification
- ii) Risk Assessment and Measurement
- iii) Risk Response and Treatment
- iv) Monitoring
- v) Reporting

It is also important to ensure the ERM process and risks are re-evaluated and updated on an on-going basis to reflect new information and experiences so that all significant risks are appropriately identified and addressed and that any material opportunities are not overlooked.

The Group adopts a decentralized approach to risk management, where all the Head of Departments take ownership and accountability for risks at their respective levels. The process of risk management and treatment is the responsibility of the Head of Departments.

The Financial Controller acts as the Risk Officer and also as the Secretary of the RMC. The Risk Officer actively assisting the General Manager to co-ordinate and liaise with each Head of Departments to assess the risk throughout the Group, as a whole. The RMC will look out for significant changes in the business and external environment which may affect the Group's principal business risks and the General Manager, who acts as the Head of RMC, shall report to the Board so that pertinent remedial measures may be developed to mitigate the key risks caused by changes in the business and external environment.

INTERNAL AUDIT GOVERNANCE

The Group's internal audit function is wholly outsourced to an independent professional firm, Matrix Corporate Consultancy Sdn Bhd ("Matrix"). The scope of work performed by Matrix comprises the conduct of internal audit to assess the adequacy and integrity of the governance, risk and internal control processes, and highlighting to the Audit Committee significant areas for improvements as well as risks that may impact the business units concerned. Matrix reports directly to the Audit Committee and is responsible for planning and executing internal audit, on a risk-based approach, covering the key companies in the Group. The activities undertaken by Matrix during the financial year comprise the following:

- conducted internal audit on key processes such as treasury, procurement and payables;
- conducted follow-up review on issues raised in preceding cycles of internal audit to assess the implementation status of management's action plans;
- engaged with Executive Directors and management on the outcome of the follow-up; and
- reported to the Audit Committee, highlighting the status of management's action plans in addressing issues highlighted in preceding cycles of internal audit.

Statement on Risk Management and Internal Control

[cont'd]

INTERNAL CONTROL FUNCTION

The Board has established a system of internal control for the smooth running of the Group's operations, augmented by an established organisational structure with clearly defined lines of responsibilities and appropriate levels of delegation and authority. A process of hierarchical reporting is established which provides a documented and auditable trail of accountability.

The system of internal control entails, inter-alia, the proper delegation of duties and responsibilities from the Board to the Managing Director, Executive Directors and Management ("Management") in running the Group's operations.

Details of some key elements of the Group's internal control system are described below:

- **Control environment**

To provide a proper control environment, focus is directed towards the qualities and abilities of the Group's employees with continuing education and training to enhance the skills of employees and reinforce qualities of professionalism and integrity. Continuing education and training include internal briefings and external seminars for selected employees to enhance the level of awareness and knowledge on matters relating to risk management and internal controls;

- **Control structure**

The Board and Management have established a formal organizational structure with clearly defined lines of accountability and delegated authority within the Group. This includes well-defined responsibilities of Board Committees and various management levels, including authorization levels for all aspects of the business.

The key elements of the Group's control structure are as follows:

Management

- The Group adopts ISO9001:2008 Quality Management System which will enable the Group to monitor and ensure the quality requirements of the Group's products.
- The Group also sets financial authority limits to assign authority to appropriate levels of management.
- There are also policies and procedures which are clearly defined to support the Group's business operations and also data recovery backup plan to ensure business continuity in event of occurrence of disaster.
- In summary, these policies and procedures deal with, inter-alia, control issues for financial accounting and reporting, treasury management, asset security, information technology, etc. The procedures are subject to regular reviews to cater for process changes, changing risks or further improvements;
- Regular informal meetings with Head of Divisions which provide a platform for the Head of Divisions to communicate with, and provide feedback to, Management.

Statement on Risk Management and Internal Control

[cont'd]

INTERNAL CONTROL FUNCTION (CONT'D)

- **Control structure (Cont'd)**

Audit Committee

The Audit Committee reviews and notes the internal audit observations reported by the out-sourced internal audit function, including follow-up by the out-sourced internal audit function on the status of Management-agreed action plans to address observations reported in preceding cycles of internal audit.

The Audit Committee Report, set out in this Annual Report, contains further details on the activities undertaken by the Audit Committee during the financial year under review.

Board

The Board holds regular discussions with the Audit Committee and Management and considers their reports on matters relating to internal controls and deliberates on their recommendation for implementation.

- **Reporting and information**

The Group has in place the following reporting and information structure:

- Authority limits are established to provide a functional framework of authority in approving revenue and capital expenditure;
- The Group has in place a budgeting process that provides for a responsibility accounting framework;
- Management reports are generated on a regular and consistent basis to facilitate the Board and the Group's Management to perform financial reviews on the various operating subsidiaries. The reviews encompass areas such as financial and non-financial key performance indicators and variances between budget and operating results and explanation of significant variances;
- The Executive Directors review the monthly management accounts; and
- The Executive Directors conduct monthly meetings with Management of all significant business units within the Group to discuss the various aspects of the business, financial and operational performance of the Group.

- **Monitoring and review**

The system of internal controls is reviewed on an ongoing basis by the Board through the Audit Committee, which is also responsible for monitoring compliance with policies, procedures and guidelines.

Statement on Risk Management and Internal Control

[cont'd]

ASSURANCE BY THE MANAGING DIRECTOR AND FINANCE DIRECTOR (EXECUTIVE DIRECTOR) ON THE ADEQUACY AND EFFECTIVENESS OF THE GROUP'S RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM

The Board has received assurance from the Managing Director and the Executive Director – Finance in writing stating that the Group's risk management and internal control system is operating adequately and effectively, in all material aspects, for the financial year under review.

BOARD'S COMMENTS ON THE ADEQUACY AND EFFECTIVENESS OF THE GROUP'S RISK MANAGEMENT AND INTERNAL CONTROL SYSTEM

The Board, through its Audit Committee, has reviewed the adequacy and effectiveness of the system of internal controls, and that relevant actions have been or are being taken, as the case may be, to remedy the internal control weaknesses identified from the review, which was largely based on the outcome of observations raised by the out-sourced internal auditors and external auditors directly to the Audit Committee.

The Board is of the view that there have been no weaknesses in the system of risk management and internal control that resulted in material losses, contingencies or uncertainties that would require mention in the Company's Annual Report 2017. The Board continues to take measures to strengthen the internal control environment from time to time based on the recommendations of the out-sourced internal audit function as well as the external auditors.

REVIEW OF THE STATEMENT BY THE EXTERNAL AUDITORS

The External Auditors have reviewed the Statement on Risk Management and Internal Control. Their review has been conducted to assess whether the Statement on Risk Management and Internal Control is supported by the documentation prepared by or for the Directors and appropriately reflects the process the Directors have adopted in assessing the risks faced by the Group and also in reviewing the adequacy and integrity of the system of internal controls for the Group.

Based on the review, the External Auditors have reported to the Board that nothing has come to their attention that causes them to believe that this Statement is inconsistent with their understanding of the process that the Board has adopted in the review of the adequacy and integrity of the systems of internal control of the Board.

This statement is issued in accordance with a resolution of the Board dated 18 January 2018.

4. SUMMARY OF WORK OF THE AUDIT COMMITTEE (CONT'D)

Evaluation and Assessment of the Audit Committee

The performance and effectiveness of Audit Committee would be assessed annually through Audit Committee evaluation and Audit Committee members' self and peer evaluation conducted by the Audit Committee, and Nomination Committee ("NC") reviewed the results of such assessments. The NC reviews the term of office and performance of the AC members annually. During the year, the Board is satisfied that the Audit Committee and its members have been able to discharge their functions, duties and responsibilities in accordance with the terms of reference ("TOR") of the AC.

Training

During the year, all of the Audit Committee members have attended various seminars, training programme and conferences. The list of trainings attended is disclosed in the Corporate Governance Statement set out in this Annual Report.

5. INTERNAL AUDIT FUNCTION

The Audit Committee is aware that an independent internal audit function is essential to assist in providing the assurance the Audit Committee requires regarding the adequacy and effectiveness of the risk management and internal control systems of the Group. The internal audit function is wholly outsourced to an independent professional firm, Matrix Corporate Consultancy Sdn. Bhd. ("Matrix"), which reports directly to the Audit Committee. The Audit Committee acknowledged the advantages for out-sourced internal audit function to Matrix, the independent external consultant including access to professional skills, knowledge, expertise and able to cover unexpected staffing needs.

Matrix carries out internal audit with a view to assess the adequacy and effectiveness of the Group's system of internal controls of the operating units within the Group and the extent of compliance by such units with the Group's established policies and procedures and the regulatory requirements of the relevant authorities. The Audit Committee reviews and approves the internal audit plan of the Group submitted by Matrix. The total costs incurred for the internal audit function in respect of the financial year ended 30 September 2017 was approximately RM44,000.

The principal role of the internal audit is to undertake independent regular and systematic reviews of the systems of internal control so as to provide reasonable assurance that such systems are in place and continue to operate satisfactorily and effectively as functionally intended. It is the responsibility of Matrix to provide the Audit Committee with independent and objective reports on the state of risk management, control and governance of the various operating units within the Company and the Group and the extent of compliance of the units with the Group's established policies and procedures as well as relevant statutory requirements.

The other main activities performed by Matrix are as follows:

- Reviewed the pertinent issues of the Group according to the audit cycles, which included processes and controls for treasury, procurement and payables;
- Undertook special reviews requested by the Audit Committee; and
- Reviewed the findings and action plans resulting from internal audits.

During the financial year under review, there was no material control failure that would have resulted in any significant losses to the Group.

Further details of the activities of the internal auditors performed during the financial year under review are set out in the Statement on Risk Management and Internal Control of this Annual Report.

INDEPENDENT AUDITORS' REPORT

to the members of WELLCALL HOLDINGS BERHAD

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

Opinion

We have audited the financial statements of Wellcall Holdings Berhad, which comprise the statements of financial position as at 30th September, 2017 of the Group and of the Company, and the statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 64 to 105.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 30th September, 2017, and of their financial performance and their cash flows for the year then ended in accordance with Malaysian Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Group and of the Company in accordance with the By-Laws (on Professional Ethics, Conduct and Practice) of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and IESBA Code.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the Group and of the Company of the current year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In arriving at our audit opinion above on the financial statements, the key audit matter that had the greatest effect on our audit was as follows:

Inventory

The Group has significant amount of inventories as disclosed in Note 7 to the financial statements, namely raw materials, work-in-progress and manufactured inventories, thus, the inventories will be exposed to the risk of slow-moving or obsolete, or not saleable or the selling price is lower than the carrying value. The accuracy of allowance for slow-moving inventories or inventories written off may subject to many uncertain factors.

Independent Auditors' Report

to the members of WELLCALL HOLDINGS BERHAD [cont'd]

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Key Audit Matters (Cont'd)

Inventory (Cont'd)

How our audit addressed this matter:

- We have reviewed the inventory policies of the Group and enquired the relevant personnel of the adequacy of inventories written off and allowance for slow-moving inventories, the basis and application of inventories categorised as slow-moving, we also further enquired and clarified with the management about the latest and future industry market trend;
- We have attended year-end physical inventories count performed by the Group, the physical existence of inventories were sighted and confirmed; and
- We selected material samples from inventories list to perform lower of cost and net realisable value test, we also enquired the stock movement during the financial year.

Information Other than the Financial Statements and Auditors' Report Thereon

The directors of the Company are responsible for the other information. The other information comprises the information included in the annual report and directors' report, but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the annual report and directors' report and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the annual report and directors' report and, in doing so, consider whether the annual report and directors' report are materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the annual report and directors' report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors for the Financial Statements

The directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards presentation of financial statements in accordance with Malaysian Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia. The directors are also responsible for such internal control as the directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the directors are responsible for assessing the Group's and the Company's ability to continue as a going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

Independent Auditors' Report

to the members of WELLCALL HOLDINGS BERHAD [cont'd]

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's or the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Independent Auditors' Report

to the members of WELLCALL HOLDINGS BERHAD [cont'd]

REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS (CONT'D)

Auditors' Responsibilities for the Audit of the Financial Statements (Cont'd)

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Reporting Responsibilities

The supplementary information set out in Note 11 to the financial statements is disclosed to meet the requirement of Bursa Malaysia Securities Berhad and is not part of the financial statements. The directors are responsible for the preparation of the supplementary information in accordance with Guidance on Special Matter No. 1, Determination of Realised and Unrealised Profits or Losses in the Context of Disclosure Pursuant to Bursa Malaysia Securities Berhad Listing Requirements, as issued by the Malaysian Institute of Accountants ("MIA Guidance") and the directive of Bursa Malaysia Securities Berhad. In our opinion, the supplementary information is prepared, in all material respects, in accordance with the MIA Guidance and the directive of Bursa Malaysia Securities Berhad.

Other Matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

Amendments to MFRS 101: Presentation of Financial Statements - Disclosure Initiative	1st January, 2016
Amendments to MFRS 10: Consolidated Financial Statements, MFRS 12: Disclosure of Interests in Other Entities and MFRS 128: Investments in Associates and Joint Ventures - Investment Entities: Applying the Consolidation Exception	1st January, 2016

Notes to the Financial Statements

30th September 2017 [cont'd]

2. BASIS OF PREPARATION (CONT'D)

(a) Changes in Accounting Policies and Effects Arising from Adoption of New and Revised Standards and Amendments (Cont'd)

<u>Description</u>	<u>Effective for annual period beginning on or after</u>
Amendments to MFRS 119: Employee Benefits (Annual Improvements to MFRSs 2012 - 2014 Cycle)	1st January, 2016
Amendments to MFRS 134: Interim Financial Reporting (Annual Improvement to MFRSs 2012 - 2014 Cycle)	1st January, 2016
The adoption of the above Standards and Amendments has no material impact to the financial statements of the Company.	

(b) Standards and Amendments Issued But Not Yet Effective

At the date of authorisation for issue of the financial statements, the new and revised Standards and Amendments issued but not yet effective and not early adopted by the Group and by the Company are as listed below:

<u>Description</u>	<u>Effective for annual period beginning on or after</u>
Amendments to MFRS 12: Annual Improvements to MFRSs 2014 - 2016 Cycle	1st January, 2017

MFRS 15: Revenue from Contracts with Customers and clarifications to MFRS 15	1st January, 2018
MFRS 16: Lease	1st January, 2019

Notes to the Financial Statements

30th September 2017 [cont'd]

2. BASIS OF PREPARATION (CONT'D)

(b) Standards and Amendments Issued But Not Yet Effective (Cont'd)

<u>Description</u>	<u>Effective for annual period beginning on or after</u>
Amendments to MFRS 128: Long-term Interests in Association and Joint Venture	1st January, 2019
Amendments to MFRS 10 and MFRS 128: Sale or Contribution of Assets between an Investor and its Associate or Joint Venture	Deferred

(i) Amendments to MFRSs: Annual Improvements to MFRS Standards 2014 - 2016 Cycle

The Annual Improvements to MFRS Standards 2014 - 2016 Cycle include a number of amendments to various MFRSs. The amendments to MFRSs include:

- Amendments to MFRS 1 First-time Adoption of Malaysian Financial Reporting Standards;
- Amendments to MFRS 12 Disclosure of Interests in Other Entities; and
- Amendments to MFRS 128 Investments in Associates and Joint Ventures.

(ii) MFRS 15, Revenue from Contracts with Customers

MFRS 15 establishes a five-step model that will apply to revenue arising from contracts with customers. MFRS 15 will supersede the current revenue recognition guidance including MFRS 118 Revenue, MFRS 111 Construction Contracts and the related interpretations when it becomes effective.

The core principle of MFRS 15 is that an entity should recognise revenue which depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Under MFRS 15, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when "control" of the goods or services underlying the particular performance obligation is transferred to the customer.

Either a full or modified retrospective application is required for annual periods beginning on or after 1st January, 2018 with early adoption permitted. The Group is currently assessing the impact of MFRS 15 and plans to adopt the new standard on the required effective date.

(iii) MFRS 9, Financial Instruments

MFRS 9, Financial Instruments, will replace MFRS 139, Financial Instruments: Recognition and Measurement.

MFRS 9 retains but simplifies the mixed measurement model in MFRS 139 and establishes three primary measurement categories for financial assets: amortised cost, fair value through profit or loss and fair value through other comprehensive income ("OCI"). The basis of classification depends on the entity's business model and the cash flow characteristics of the financial asset. Investments in equity instruments are always measured at fair value in OCI (provided the instrument is not held for trading). A debt instrument is measured at amortised cost only if the entity is holding it to collect contractual cash flow and the cash flow represent principal and interest.

Notes to the Financial Statements

30th September 2017 [cont'd]

2. BASIS OF PREPARATION (CONT'D)

(b) Standards and Amendments Issued But Not Yet Effective (Cont'd)

(iii) MFRS 9, Financial Instruments (Cont'd)

For liabilities, the standard retains most of the MFRS 139 requirements. These include amortised cost accounting for most financial liabilities, with bifurcation of embedded derivatives. The main change is that in case where the fair value option is taken for financial liabilities, the part of a fair value change due to an entity's own credit risk is recorded in other comprehensive income rather than to profit or loss, unless this creates an accounting mismatch.

MFRS 9 introduces an expected credit loss model on impairment for all financial assets that replaces the incurred loss impairment model used in MFRS 139. The expected credit loss model is forward-looking and eliminates the need for a trigger event to have occurred before credit losses are recognised.

This Standard will come into effect on or after 1st January, 2018 with early adoption permitted. Retrospective application is required, but comparative information is not compulsory.

(iv) MFRS 16, Leases

MFRS 16 specifies how an MFRS reporter will recognise, measure, present and disclose leases. The Standard provides a single lessee accounting model, requiring lessees to recognise assets and liabilities for all leases unless the lease term is 12 months or less or the underlying asset has a low value. Lessors continue to classify leases as operating or finance, with MFRS 16's approach to lessor accounting substantially unchanged from its predecessor, MFRS 117.

At lease commencement, a lessee will recognise a right-of-use asset and a lease liability. The right-of-use asset is treated similarly to other non-financial assets and depreciated accordingly and the liability accrues interest. The lease liability is initially measured at the present value of the lease payments payable over the lease term, discounted at the rate implicit in the lease if that can be readily determined. If that rate cannot be readily determined, the lessees shall use their incremental borrowing rate.

Either a full or modified retrospective application is required for annual periods beginning on or after 1st January, 2019 with early adoption permitted.

(v) Amendments to MFRS 107, Statement of Cash Flows - Disclosure Initiative

The amendments to MFRS 107 require an entity to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including changes from both cash flows and non-cash changes.

The amendments should be applied prospectively and comparative information is not required for earlier periods presented.

The impact of MFRS 9, MFRS 15 and MFRS 16 are still being assessed. Aside from MFRS 9, MFRS 15 and MFRS 16, the adoption of amendments to published standards are not expected to have a material impact to the financial statements of the Group and of the Company.

(c) Basis of Measurement

The financial statements of the Group and of the Company have been prepared in accordance with MFRSs and the provisions of the Companies Act, 2016 in Malaysia. The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

The financial statements are presented in Ringgit Malaysia ("RM").

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Basis of Consolidation

(i) Business Combinations

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the reporting date. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Acquisition of subsidiaries are accounted for by applying the acquisition method. Identifiable assets acquired and liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Acquisition-related costs are recognised as expenses in the periods in which the costs are incurred and the services are received.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in accordance with MFRS 139 Financial Instrument: Recognition and Measurement, either in profit or loss or as change to other comprehensive income. If the contingent consideration is classified as equity, it is not to be remeasured until it is finally settled within equity.

In business combinations achieved in stages, previously held equity interests in the acquiree are remeasured to fair value at the acquisition date and any corresponding gain or loss is recognised in profit or loss.

The Group elects for each individual business combination, whether non-controlling interest in the acquiree (if any) is recognised on the acquisition date at fair value, or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets.

Any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interest in the acquiree (if any), and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities is recorded as goodwill. In instances where the latter amount exceeds the former, the excess is recognised as gain on bargain purchase in profit or loss on the acquisition date.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.1 Basis of Consolidation (Cont'd)

(ii) Transactions with Non-Controlling Interest

Non-controlling interest represents the equity in subsidiaries not attributable, directly or indirectly, to owners of the Company, and is presented separately in the consolidated statement of comprehensive income and within equity in the consolidated statement of financial position, if any, separately from equity attributable to owners of the Company.

Changes in the Company owners' ownership interest in a subsidiary that do not result in a loss of control are accounted for as equity transactions. In such circumstances, the carrying amounts of the controlling and non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiary. Any difference between the amount by which the non-controlling interest is adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to owners of the parent.

3.2 Foreign Currencies

(i) Functional and Presentation Currency

The individual financial statements of each entity in the Group are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The consolidated financial statements are presented in Ringgit Malaysia ("RM"), which is also the Company's functional currency.

(ii) Foreign Currency Transactions

Transactions in foreign currencies are recorded on initial recognition in the functional currency at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the reporting date.

Non-monetary items denominated in foreign currencies that are measured at historical cost are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items denominated in foreign currencies measured at fair value are translated using the exchange rates at the date when the fair value was determined.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the reporting date are recognised in profit or loss.

Exchange differences arising on the translation of non-monetary items carried at fair value are included in profit or loss for the period except for the differences arising on the translation of non-monetary items in respect of which gains and losses are recognised directly in equity. Exchange differences arising from such non-monetary items are also recognised directly in equity.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.2 Foreign Currencies (Cont'd)

(ii) Foreign Currency Transactions (Cont'd)

The closing rates used in the translation of foreign currency monetary assets and liabilities of the Group are as follows:

	2017 RM	2016 RM
1 United States Dollar (USD)	4.23	4.14
1 Euro (EUR)	4.98	4.64

3.3 Property, Plant and Equipment and Depreciation

All items of property, plant and equipment are initially recorded at cost. The cost of an item of plant and equipment is recognised as an asset if, and only if, it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced in intervals, the Group recognises such parts as individual assets with specific useful lives and depreciation, respectively. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation is computed on a straight-line basis over the estimated useful lives of the assets as follows:

Leasehold land	51 - 99 years
Factory buildings	39 - 60 years
Electrical installation	10% - 15%
Fire fighting installation	10% - 15%
Furniture and fittings	15%
Motor vehicles	15%
Office equipment	15%
Plant and machinery	7% - 15%
Renovation	2%

The carrying values of plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each year-end, and adjusted prospectively, if appropriate.

An item of plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss on derecognition of the asset is included in the profit or loss in the year the asset is derecognised.

Gain or loss arising from the disposal of an asset is determined as the difference between the net disposal proceeds and the carrying amount of an asset, and is recognised in the statement of comprehensive income.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.4 Impairment of Non-Financial Assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when an annual impairment assessment for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's fair value less costs to sell and its value in use. For the purpose of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units ("CGU")).

In assessing value in use, the estimated future cash flows expected to be generated by the asset are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. Where the carrying amount of an asset exceeds its recoverable amount, the asset is written down to its recoverable amount. Impairment losses recognised in respect of a CGU or groups of CGUs are allocated first to reduce the carrying amount of any goodwill allocated to those units or groups of units and then, to reduce the carrying amount of the other assets in the unit or groups of units on a pro-rata basis.

Impairment losses are recognised in profit or loss except for assets that are previously revalued where the revaluation was taken to other comprehensive income. In this case the impairment is also recognised in other comprehensive income up to the amount of any previous revaluation.

An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increase cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal is recognised in profit or loss unless the asset is measured at revalued amount, in which case the reversal is treated as a revaluation increase.

3.5 Subsidiaries

A subsidiary is an entity over which the Group has the power to govern the financial and operating policies so as to obtain benefits from its activities.

In the Company's separate financial statements, investment in subsidiaries are accounted for at cost less impairment losses, if any.

3.6 Financial Assets

Financial assets are recognised in the statements of financial position when, and only when, the Group and the Company become a party to the contractual provisions of the financial instrument.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

The Group and the Company determine the classification of their financial assets at initial recognition, and the categories include financial assets at fair value through profit or loss, loans and receivables, held-to-maturity investments and available-for-sale financial assets.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.6 Financial Assets (Cont'd)

(i) Financial Assets at Fair Value through Profit or Loss

Financial assets are classified as financial assets at fair value through profit or loss if they are held for trading or are designated as such upon initial recognition. Financial assets held for trading are derivatives (including separated embedded derivatives) or financial assets acquired principally for the purpose of selling in the near term.

Subsequent to initial recognition, financial assets at fair value through profit or loss are measured at fair value. Any gains or losses arising from changes in fair value are recognised in profit or loss. Net gains or net losses on financial assets at fair value through profit or loss do not include exchange differences, interest and dividend income. Exchange differences, interest and dividend income on financial assets at fair value through profit or loss are recognised separately in profit or loss as part of other losses or other income.

Financial assets at fair value through profit or loss could be presented as current or non-current. Financial assets that are held primarily for trading purposes are presented as current whereas financial assets that are not held primarily for trading purposes are presented as current or non-current based on the settlement date.

The Group and the Company have not designated any financial assets as at fair value through profit or loss.

(ii) Loans and Receivables

Financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables.

Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, and through the amortisation process.

Loans and receivables are classified as current assets, except for those having maturity dates later than 12 months after the reporting date which are classified as non-current.

(iii) Held-to-Maturity Investments

Financial assets with fixed or determinable payments and fixed maturity are classified as held-to-maturity when the Group has the positive intention and ability to hold the investment to maturity.

Subsequent to initial recognition, held-to-maturity investments are measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the held-to-maturity investments are derecognised or impaired, and through the amortisation process.

Held-to-maturity investments are classified as non-current assets, except for those having maturity within 12 months after the reporting date which are classified as current.

The Group and the Company have not designated any financial assets as held-to-maturity investments.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.6 Financial Assets (Cont'd)

(iv) Available-for-Sale Financial Assets

Available-for-sale financial assets are financial assets that are designated as available for sale or are not classified in any of the three preceding categories.

After initial recognition, available-for-sale financial assets are measured at fair value. Any gains or losses from changes in fair value of the financial assets are recognised in other comprehensive income, except that impairment losses, foreign exchange gains and losses on monetary instruments and interest calculated using the effective interest method are recognised in profit or loss. The cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment when the financial asset is derecognised. Interest income calculated using the effective interest method is recognised in profit or loss. Dividends on an available-for-sale equity instrument are recognised in profit or loss when the Group's and the Company's right to receive payment is established.

Investments in equity instruments whose fair value cannot be reliably measured are measured at cost less impairment loss, if any.

Available-for-sale financial assets are classified as non-current assets unless they are expected to be realised within 12 months after the reporting date.

The Group classified its quoted investments as available-for-sale financial assets.

A financial asset is derecognised when the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that had been recognised in other comprehensive income is recognised in profit or loss.

Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the period generally established by regulation or convention in the market place concerned. All regular way purchases and sales of financial assets are recognised or derecognised on the trade date i.e., the date that the Group and the Company commit to purchase or sell the asset.

3.7 Impairment of Financial Assets

The Group and the Company assess at each reporting date whether there is any objective evidence that a financial asset is impaired.

(i) Trade and Other Receivables and Other Financial Assets Carried at Amortised Cost

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Group and the Company consider factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments. For certain categories of financial assets, such as trade receivables, assets that are assessed not to be impaired individually are subsequently assessed for impairment on a collective basis based on similar risk characteristics.

Objective evidence of impairment for a portfolio of receivables could include the Group's and the Company's past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period and observable changes in national or local economic conditions that correlate with default on receivables.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.7 Impairment of Financial Assets (Cont'd)

(i) Trade and Other Receivables and Other Financial Assets Carried at Amortised Cost (Cont'd)

If any such evidence exists, the amount of impairment loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The impairment loss is recognised in profit or loss.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a receivable becomes uncollectible, it is written off against the allowance account.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

(ii) Available-for-Sale Financial Assets

Significant or prolonged decline in fair value below cost, significant financial difficulties of the issuer or obligor, and the disappearance of an active trading market are considerations to determine whether there is objective evidence that investment securities classified as available-for-sale financial assets are impaired.

If an available-for-sale financial asset is impaired, an amount comprising the difference between its cost (net of any principal payment and amortisation) and its current fair value, less any impairment loss previously recognised in profit or loss, is transferred from equity to profit or loss.

Impairment losses on available-for-sale equity investments are not reversed in profit or loss in the subsequent periods. Increase in fair value, if any, subsequent to impairment loss is recognised in other comprehensive income. For available-for-sale debt investments, impairment losses are subsequently reversed in profit or loss if an increase in the fair value of the investment can be objectively related to an event occurring after the recognition of the impairment loss in profit or loss.

3.8 Inventories

Inventories are stated at the lower of cost and net realisable value. Costs incurred in bringing the inventories to their present location and condition are accounted for as follows:

- Raw materials: purchase costs on a first-in first-out basis.
- Finished goods and work-in-progress: costs of direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. These costs are assigned on a first-in first-out basis.

Net realisable value is the estimated selling price in the ordinary course of business less estimated costs of completion and the estimated costs necessary to make the sale.

Notes to the Financial Statements

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.9 Cash and Cash Equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits, and short-term, highly liquid investments that are readily convertible to known amount of cash and which are subject to an insignificant risk of changes in value. These also include bank overdrafts that form an integral part of the Group's cash management.

3.10 Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic resources will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at each reporting date and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre tax rate that reflects, where appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

3.11 Financial Liabilities

Financial liabilities are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability.

Financial liabilities, within the scope of MFRS 139, are recognised in the statements of financial position when, and only when, the Group and the Company become a party to the contractual provisions of the financial instrument. Financial liabilities are classified as either financial liabilities at fair value through profit or loss or other financial liabilities.

(i) Financial Liabilities at Fair Value through Profit or Loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities held for trading include derivatives entered into by the Group and the Company that do not meet the hedge accounting criteria. Derivative liabilities are initially measured at fair value and subsequently stated at fair value, with any resultant gains or losses recognised in profit or loss. Net gains or losses on derivatives include exchange differences.

The Group and the Company have not designated any financial liabilities as at fair value through profit or loss.

(ii) Other Financial Liabilities

The Group's and the Company's other financial liabilities include trade payables, other payables and loans and borrowings.

Trade and other payables are recognised initially at fair value plus directly attributable transaction costs and subsequently measured at amortised cost using the effective interest method.

Loans and borrowings are recognised initially at fair value, net of transaction costs incurred, and subsequently measured at amortised cost using the effective interest method. Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.11 Financial Liabilities (Cont'd)

(ii) Other Financial Liabilities (Cont'd)

For other financial liabilities, gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

A financial liability is derecognised when the obligation under the liability is extinguished. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

3.12 Borrowing Costs

Borrowing costs are capitalised as part of the cost of a qualifying asset if they are directly attributable to the acquisition, construction or production of that asset. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are incurred. Borrowing costs are capitalised until the assets are substantially completed for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period they are incurred. Borrowing costs consist of interest and other costs that the Group and the Company incurred in connection with the borrowing of funds.

3.13 Share Capital

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Ordinary shares are equity instruments.

Ordinary shares are recorded at the proceeds received, net of directly attributable incremental transaction costs. Dividends on ordinary shares are recognised in equity in the period in which they are declared.

3.14 Employee Benefits

(i) Short Term Benefits

Wages, salaries, bonuses and social security contributions ("Socso") are recognised as expenses in the year in which the associated services are rendered by employees of the Group and the Company. Short term accumulating compensated absences such as paid annual leave are recognised when services are rendered by employees that increase their entitlement to future compensated absences, and short term non-accumulating compensated absences such as sick leave are recognised when the absences occur.

(ii) Defined Contribution Plans

The Group participates in the national pension schemes as defined by the laws of the countries in which it has operations. The companies in the Group make contributions to the Employee Provident Fund ("E.P.F.") in Malaysia, a defined contribution pension scheme. Contributions to defined contribution pension schemes are recognised as an expense in the period in which the related service is performed.

Notes to the Financial Statements

30th September 2017 [cont'd]

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.15 Revenue

Revenue is recognised when it is probable that the economic benefits associated with the transaction will flow to the Group and the amount of the revenue can be measured reliably.

(i) Sale of Goods

Revenue from sales of goods is measured at the fair value of the receivable consideration and is recognised upon transfer of significant risks and rewards of ownership of the goods to the customer. Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due, associated costs or the possible return of goods.

(ii) Dividend Income

Dividend income is recognised when the right to receive payment is established.

(iii) Interest Income

Interest income is recognised on an accrual basis using the effective interest method.

(iv) Rental Income

Rental income is recognised on accrued basis.

3.16 Income Taxes

(i) Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted by the reporting date.

Current taxes are recognised in profit or loss except to the extent that the tax relates to items recognised outside profit or loss, either in other comprehensive income or directly in equity.

(ii) Deferred Tax

Deferred tax is provided using the liability method on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- where the deferred tax liability arises from the initial recognition of goodwill or of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.16 Income Taxes (Cont'd)

(ii) Deferred Tax (Cont'd)

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- in respect of deductible temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax assets to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the year when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss. Deferred tax items are recognised in correlation to the underlying transaction either in other comprehensive income or directly in equity and deferred tax arising from a business combination is adjusted against goodwill on acquisition.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.17 Segment Reporting

For management purposes, the Group is organised into operating segments based on their products and services which are independently managed by the respective segment managers responsible for the performance of the respective segments under their charge. The segment managers report directly to the management of the Company who regularly review the segment results in order to allocate resources to the segments and to assess the segment performance. Additional disclosures on each of these segments are shown in Note 25, including the factors used to identify the reportable segments and the measurement basis of segment information.

Notes to the Financial Statements

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.18 Contingencies

A contingent liability or asset is a possible obligation or asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of uncertain future event(s) not wholly within the control of the Group.

Contingent liabilities and assets are not recognised in the statements of financial position of the Group.

3.19 Significant Accounting Judgements and Estimates

The preparation of the Group's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the reporting date. However, uncertainty about these assumptions and estimates could result in outcomes that could require a material adjustment to the carrying amount of the asset or liability affected in the future.

(i) Judgements Made in Applying Accounting Policies

In the process of preparing the financial statements, there were no significant judgements made in applying the accounting policies of the Group which may have significant effects on the amounts recognised in the financial statements.

(ii) Key Sources of Estimation Uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(a) Impairment of Investment in Subsidiaries

The management determines whether the carrying amounts of its investments are impaired at reporting date. This involves measuring the recoverable amounts which includes fair value less costs to sell and valuation techniques. Valuation techniques include amongst others, discounted cash flows analysis and in some cases, based on current market indicators and estimates that provide reasonable approximations to the detailed computation or based on total shareholders' equity of the subsidiaries.

The carrying amount of investment in subsidiary as at 30th September, 2017 was RM57,540,803 (2016: RM57,540,903). Further details are disclosed in Note 5. Based on management's review, no further adjustment for impairment is required for the investment in subsidiaries by the Company during the current year.

(b) Impairment of Loans and Receivables

The Group assesses at each reporting date whether there is any objective evidence that a financial asset is impaired. To determine whether there is objective evidence of impairment, the Group considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. The carrying amount of the Group's loans and receivables at the reporting date is disclosed in Note 8.

3. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

3.19 Significant Accounting Judgements and Estimates (Cont'd)

(ii) Key Sources of Estimation Uncertainty (Cont'd)

(c) Useful Lives of Property, Plant and Equipment

The cost of property, plant and equipment is depreciated on a straight-line basis over the assets' estimated economic useful lives. The useful lives and annual depreciation rates of these assets are disclosed in Notes 3.3. These are common life expectancies applied in the industry. Changes in the expected level of usage and technological developments could impact the economic useful lives and the residual values of these assets, therefore future depreciation charges could be revised. The carrying amount of the Company's property, plant and equipment at the reporting date is disclosed in Note 4.

(d) Deferred Tax Assets

Deferred tax assets are recognised for all unused tax losses, unabsorbed capital allowances, unutilised reinvestment allowances and other deductible temporary differences to the extent that it is probable that taxable profit will be available against which the losses, capital allowances, reinvestment allowances and provisions can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and level of future taxable profits together with future tax planning strategies.

(e) Income Taxes

There are certain transactions and computations for which the ultimate tax determination may be different from the initial estimate. The Group and the Company recognise tax liabilities based on its understanding of the prevailing tax laws and estimates of whether such taxes will be due in the ordinary course of business. Where the final outcome of these matters is different from the amounts that were initially recognised, such difference will impact the income tax and deferred tax provisions in the year in which such determination is made.

(f) Write-down of Inventories

Reviews are made periodically by management on damaged, obsolete and slow-moving inventories. These reviews require judgement and estimates. Possible changes in these estimates could result in revisions to the valuation of inventories.

22. FAIR VALUE OF FINANCIAL INSTRUMENTS

Determination of Fair Value

Financial instruments that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value

The following are classes of financial instruments that are not carried at fair value and whose carrying amounts are reasonable approximation of fair value:

	Note
Trade and other receivables	8
Deposits with licensed banks	9
Term loans	12
Trade and other payables	14

The carrying amounts of these financial assets and liabilities are reasonable approximation of fair values due to their short-term nature or that they are re-priced to market interest rates on or near the reporting date.

Non-current trade receivables and payables

The fair values of these financial instruments are estimated by discounting expected future cash flows at market incremental lending rate for similar types of lending, borrowing or leasing arrangements at the reporting date.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group and Company are exposed to financial risks arising from its operations and the use of financial instruments. The key financial risks include credit risk, liquidity risk, interest rate risk and foreign currency risk.

The Board of Directors reviews and agrees policies and procedures for the management of these risks. The Audit Committee provides independent oversight to the effectiveness of the risk management process.

It is, and has been throughout the current and previous financial year, the Group's and the Company's policy that no derivatives shall be undertaken.

The following sections provide details regarding the Group's and the Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

(a) Credit Risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's exposure to credit risk arises primarily from trade and other receivables. For other financial assets (including cash and bank balances), the Group minimises credit risk by dealing exclusively with high credit rating counterparties.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis with the result that the Group's exposure to bad debts is not significant.

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(a) Credit Risk (Cont'd)

Exposure to credit risk

At the reporting date, the Group's and the Company's maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statements of financial position.

Information regarding credit enhancements for trade and other receivables is disclosed in Note 8 to the financial statements.

Credit risk concentration profile

The Group determines concentration of credit risk by monitoring the business segment of its trade receivables on an ongoing basis.

At the reporting date, there was no significant concentration of credit risk for the Group and the Company other than those receivables as analysed in Note 8 to the financial statements.

Financial assets that are not impaired

Information regarding trade and other receivables that are not impaired is disclosed in Note 8 to the financial statements.

(b) Liquidity Risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group's and the Company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

Analysis of Financial Instruments by Remaining Contractual Maturities

The table below summarises the maturity profile of the Group's and the Company's liabilities at the reporting date based on contractual undiscounted repayment obligations.

	← 30.9.2017 →		
	On demand or within one year RM	One to five years RM	Total RM

Company			
Financial Liabilities			
Trade and other payables	456,398	-	456,398

(c) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates.

As the Group has no significant interest-bearing financial assets, the Group's income and operating cash flows are substantially independent of changes in market interest rates. The Group's interest-bearing financial assets are mainly short term in nature.

The Group's interest rate risk arises primarily from interest-bearing borrowings. Borrowings at floating rates expose the Group to cash flow interest rate risk. Borrowings obtained at fixed rates expose the Group to fair value interest rate risk. The Group manages its interest rate exposure by maintaining a mix of fix and floating rate of borrowings.

The following tables set out the carrying amounts, effective interest rates as at the reporting date and the remaining maturities of the Group's financial instruments that are exposed to interest rate risk:

	Effective interest rate %	Total RM	Within 1 year RM

23. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONT'D)

(d) Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates.

The Group is exposed to transactional currency risk primarily through sales and purchases that are denominated in a currencies other than the functional currency of the operations to which they relate. The currencies giving rise to this risk are primarily United States Dollar and Euro Dollar. Foreign exchange exposures in these transactional currencies other than functional currencies of the operating entities are kept to an acceptable level.

The net unhedged financial assets and liabilities of the Group that are not denominated in the functional currency are as follows:

	2017 RM	2016 RM
United States Dollar ("USD")	16,646,419	11,452,062
Euro ("EUR")	1,078,738	2,503,290
	17,725,157	13,955,352

Sensitivity Analysis for Foreign Currency Risk

The following table demonstrates the sensitivity of the Group's profit to a reasonably possible change in the USD and EUR exchange rates against the respective functional currencies of the Group entities, with all other variables held constant.

		Gain/(Loss) in profit or loss	
		2017 RM	2016 RM
USD/RM	- strengthened 10%	1,664,642	1,145,206
	- weakened 10%	(1,664,642)	(1,145,206)
EUR/RM	- strengthened 10%	107,874	250,329
	- weakened 10%	(107,874)	(250,329)

24. SIGNIFICANT RELATED PARTY TRANSACTION

In addition to the related party information disclosed elsewhere in the financial statements, the following significant transaction between the Group and related party took place at terms agreed between the parties during the financial year:

	2017 RM	Company 2016 RM
Dividend income from subsidiary company	31,950,000	31,050,000

Notes to the Financial Statements

25. SEGMENT INFORMATION

Segment information is presented in respect of the Group's business and geographical segments based on the Group's management and internal reporting structure.

Segment results, assets and liabilities include items directly attributable to a segment as well as those that can be allocated on a reasonable basis. Unallocated items mainly comprise interest-earning assets and revenue and corporate assets and expenses.

Segment capital expenditure is the total cost incurred during the year to acquire segment assets that are expected to be used for more than one year.

Business Segments

The Group's business segments mainly comprise the manufacture and sale of rubber hose and related products.

Business segmental information has therefore not been prepared as all the Group's revenue, operating profit, assets employed, liabilities, depreciation, amortisation and non cash expenses are mainly confined to one business segment.

Geographical Segments

The manufacturing and investment holding segments are operated solely in Malaysia. In presenting information on the basis of geographical segments, segment revenue is based on the geographical location of customers while segment assets are based on the geographical location of assets.

26. SIGNIFICANT EVENTS DURING THE FINANCIAL YEAR

On 17th July, 2017, the Company proposed to undertake the following proposals:

- (a) Proposed share split of every two existing ordinary shares in the Company into three ordinary shares in the Company; and
- (b) Proposed amendments to the Memorandum and Articles of Association of the Company ("Amendments") to facilitate and to reflect the consequences of the migration to the no par regime under the Companies Act, 2016 effective from 31st January, 2017.

The proposed shares split and proposed Amendments are subject to and conditional upon approval being obtained from the shareholders of the Company at the Extraordinary General Meeting ("EGM") held on 28th August, 2017, which approval has been obtained in the EGM on 28th August, 2017.

The share split was completed on 14th September, 2017.

27. AUTHORISATION FOR ISSUE

The financial statements of the Company for the financial year ended 30th September, 2017 were authorised for issue in accordance with a resolution of the Board of Directors on 18th January, 2018.

Notice of Annual General Meeting

[cont'd]

Notes to the Notice of 12th AGM:-

1. Item 1 of the Agenda

This item is meant for discussion only as the provision of Section 340(1)(a) of the Companies Act, 2016 in Malaysia requires that audited financial statements and the Reports of the Directors and Auditors thereon be laid before the Company at its Annual General Meeting. As such, this Agenda item is not a business which requires a resolution to be put to the vote by shareholders.

2. Item 2 of the Agenda

Article 98 of the Company's Articles of Association provides that fees payable to the directors shall not be increased except pursuant to a resolution passed at a general meeting. Therefore, shareholders' approval is required for the determination and payment of directors amounting to RM682,000 for the financial year ended 30 September 2017.

3. Item 3 of the Agenda

Section 230(1) of the Companies Act 2016 provides that the fees of the directors and any benefits payable to the directors of a listed company and its subsidiaries shall be approved at a general meeting. Pursuant thereto, shareholders' approval shall be sought at the 12th AGM for the payment of Directors' Remuneration (excluding Directors' fees) payable to the Non-Executive Directors of the Company for the period from 31 January 2017 until the next annual general meeting of the Company under Ordinary Resolution 2.

The current Directors' Remuneration (excluding Directors' fees) payable to the Non-Executive Directors for the Company comprises of meeting allowances and other emoluments.

In determining the estimated amount of remuneration payable to the Non Executive Directors, the Board considered various factors including the number of scheduled meetings for the Board of Directors ("the Board"), Board Committees and general meetings of the Company as well as the number of Directors involved in these meetings.

4. Item 4 of the Agenda

The quantum of the Directors' Fee payable by the Company to all the Directors of the Company not exceeding RM682,000 per annum for the financial year ending 30 September 2018. The Proposed Ordinary Resolution 3, if passed, will authorise the payment of the Directors' fees to all the Directors of the Company for the financial year ending 30 September 2019 pursuant to Article 98 of the Articles of Association.

5. Item 5 of the Agenda

Following to the enforcement of the Companies Act, 2016 which came into force on 31 January 2017 repealing the Companies Act, 1965, a Director of a public company of or over the age of seventy (70) is no longer subject to the retirement at the 12th AGM. At the previous Eleventh Annual General Meeting held on 23 February 2017, Mr. Leong Hon Chong, who is over seventy (70) years of age has been re-appointed as a Director of the Company pursuant to Section 129(6) of the former Companies Act, 1965 to hold office until the conclusion of the Eleventh Annual General Meeting in 2017.

The proposed Ordinary Resolution 4, If passed, will confirm the appointment of Mr. Leong Hon Chong as a Director of the Company at the 12th AGM without any further requirement for him to seek re-appointment in the future except that he will be subject to retirement by rotation pursuant to Article 94 of the Company's Articles of Association.

6. Items 6, 7 and 8 of the Agenda

Article 94 of the Company's Articles of Association provides that one-third (1/3) of the Directors, for the time being, shall retire by rotation at an annual general meeting of the Company. All the Directors shall retire from office at least once in each three (3) years but shall be eligible for re-election. The profile of Y.B. Dato' Haji Mohtar Bin Nong, Mr. Yang Chong Yaw, Alan and Mr. Goh Hoon Leum, the directors who are standing for re-election as per Agendas 6 to 8 of the notice of the 12th AGM are set out in the 2017 Annual Report.

7. Item 9 of the Agenda

The Audit Committee and the Board have considered the re-appointment of Messrs Ong & Wong as Auditors of the Company and collectively agreed that Messrs Ong & Wong have met the relevant criteria prescribed by Paragraph 15.21 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad.

Proxy

8. A member of the Company who is entitled to attend, speak and vote at this 12th AGM may appoint a proxy to attend, speak and vote on his(her) behalf. A proxy may but need not be a member of the Company, and a member may appoint any person to be his proxy without limitation.
9. A member of the Company shall not be entitled to appoint more than one (1) proxy to attend, speak and vote at the same meeting.
10. Where a member of the Company is an authorized nominee as defined under the Securities Industry (Central Depository) Act, 1991 ("SICDA"), he/she may appoint one (1) proxy in respect of each security account it holds with ordinary shares of the Company standing to the credit of the said security account.
11. Where a member of the Company is an exempt authorised nominee holding ordinary shares in the Company for multiple beneficial owners in one (1) securities account ("omnibus account"), there is no limit to the number of proxies which the exempt authorised nominee may appoint in respect of each omnibus account it holds.

An exempt authorised nominee refers to an authorised nominee defined under the SICDA who is exempted from compliance with the provisions of subsection 25A(1) of SICDA.

12. The instrument appointing a proxy shall be in writing by the appointer or an attorney duly authorised in writing or, if the appointer is a corporation, whether under its seal or by an officer or attorney duly authorised.
13. The instrument appointing either a proxy, a power of attorney or other authorities, where it is signed or certified by a notary as a true copy shall be deposited at the Registered Office of the Company at No. 4-1, Kompleks Niaga Melaka Perdana, Jln KNMP 3, Bukit Katil, 75450 Melaka, not less than 48 hours before the time appointed for holding the meeting or at any adjournment thereof, and in default the instrument of proxy shall not be treated as valid.
14. The right of foreigners to vote in respect of deposited securities is subject to Sections 41(1)(e) and 41(2) of the Securities Industry (Central Depositories) Act, 1991; the Securities Industry (Central Depositories) (Foreign Ownership) Regulations 1996 and the Articles of Association of the Company.
15. In respect of deposited securities, only members whose names appear in the Record of Depositors on 19 February 2018 ("General Meeting Record of Depositors") shall be eligible to attend, speak and vote at this 12th AGM.
16. Any alteration in the form of proxy must be initialed.
17. Pursuant to Paragraph 8.29A(1) of the Main Market Listing Requirement of Bursa Malaysia Securities Berhad, all the resolutions set out in the Notice of 12th AGM will be put to the vote by poll.

Explanatory Notes to Special Business

18. Item 10 of the Agenda

For Ordinary Resolution 9 on the Proposed Continuation in Office as Independent Non-Executive Directors, The Nomination Committee of the Company has assessed the independence of Mr. Yang Chong Yaw, Alan, the Director who have served for a cumulative term of more than nine (9) years and has recommended to the Board that he continues to act as Independent Non-Executive Director for the Company. Mr. Yang Chong Yaw, Alan was appointed an Independent Non-Executive Director on 17 April 2006, and he has served the Company for more than nine (9) years as at the date of the notice of 12th AGM. However, Mr. Yang Chong Yaw, Alan has met the independence guideline as set out in Chapter 1 of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad. The Board upon the recommendation from the Nomination Committee of the Company, therefore, considers Mr. Yang Chong Yaw, Alan to be Independent and recommends him to remain as an Independent Non-Executive Director subject to the approval from the shareholders of the Company through a two-tier voting process pursuant to Practice No. 4.2 of the Malaysian Code on Corporate Governance 2017.

19. Item 11 of the Agenda

Ordinary Resolution 10 is proposed to grant a renewed general mandate ("General Mandate"), which if passed, will empower the Directors of the Company, pursuant to Section 76 of the Companies Act, 2016 to issue and allot new shares in the Company from time to time provided that the aggregate number of shares issued pursuant to the General Mandate does not exceed 10% of the issued and paid-up capital of the Company as the Directors may consider such an act to be in the interest of the Company. The General Mandate, unless revoked or varied by the Company in a general meeting, will expire at the conclusion of the next Annual General Meeting of the Company, or during the expiration of the period within which the next Annual General Meeting is required by law to be held, whichever is earlier.

As of the date of this Notice, no new shares in the Company were issued pursuant to the mandate granted to the Directors at the last Annual General Meeting of the Company held on 23 February 2017 and which will lapse at the conclusion of the 12th AGM.

The General Mandate will provide flexibility to the Company for any possible fund raising activities, including but not limited to, further placing of shares, for the purpose of funding future investment project(s), working capital and /or acquisitions.
